

## Safety Committee Meeting Minutes

*Tuesday, July 24, 2024*

Called to Order at 2:01 pm

Attendance: PD Chief Fieldson, FD Chief Brennan, Nick Rohm, Pat Gustafson, Ed Ware, Tony Burkinshaw,

NEW BUSINESS:

### **1. Traffic Study at Belmore – Presented by Chief Fieldson**

Discussion / Recommendation:

- Study was done for the Month of May / During the School Year
- Not enough evidence from the study to warrant a speeding problem
  - 60% North Bound
  - 40% South Bound
- Not enough to warrant a Stop sign in that location
- A suggestion was to put up a children at play sign

### **2. Crosswalk at Rte. 11 and Nestico's**

Discussion / Recommendation:

- Chief Fieldson reached out to NYS DOT in February 2024
- DOT responded it would be late summer or fall before they can look into the matter but they will follow up with written notification of their findings.
- DPW trimmed trees and limbs to help with visibility

### **3. Speeding Complaint at Highland**

- Chief Fieldson talk with the resident and schedule regular patrols and the resident seemed to be satisfied.

### **4. Community Center marked as a heating & cooling center**

- Chief Fieldson emailed 911 Emergency Management and the Community Center has been added
- The center was found on NYS website for cooling stations
- It was suggested to have a protocol plan in place for when to use the center

- Tony will form a committee and put a written plan together
  - Suggested to talk with NOPOL because they are also a cooling site
- Safety concern due to the elevator not working properly and it to be fixed or replaced ASAP.
- Chief Brenna suggested a Village wide needs assessment to be done
  - Talked about AED machines and what Departments have them or need them
  - Email him with type and how many they have
  - Meeting with NYS DOT about South Bay Rd
    - At the Fire Station Thursday, July 25<sup>th</sup> @ 7 pm
    - South Bay Rd going down to a 1 lane
    - Concerns about the traffic issues this will cause

#### **5. Grove Street Safety Concerns**

- Get the Study from the Sidewalk Project
- Have more traffic enforcement
- Look to improve signage and education in that location

**6. Next Meeting** – will be as needed

**7. Adjourn at 3:00 pm**
