Hi,
Can the SEQR (Board as Lead Agency & a neg. declaration) & a Board Resolution info for Kennedy Park be added for the 10/9 Board meeting's agenda? Same wording & info as was done for the BRICKS grant (elevator).

Attached are the SEQR Form and the Municipal Site Control Form that need the Mayor's signature.

- SEQR - sign the Part 3 SEQR Determination, date has to be 10/9 or later
- Municipal Site Control Form can be signed & dated anytime

Also, I will need:

- A letter on Village letterhead stating committed funds (20% match), can also be in the form of a Board resolution after the 10/9 meeting.
- Will need the meeting minutes showing Board approval of project & SEQR/lead agency info, after the 10/23 meeting.

Sheila Weed is working on an updated plan & we are working on an updated cost estimate, but rough #s w/ Sheila will be around a \$500k project cost.

Thanks!

Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	☒	☐
2. Will the proposed action result in a change in the use or intensity of use of land?	☒	☐
3. Will the proposed action impair the character or quality of the existing community?	☒	☐
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	☒	☐
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	☒	☐
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	☒	☐
7. Will the proposed action impact existing:	☒	☐
a. public / private water supplies?	☒	☐
b. public / private wastewater treatment utilities?	☒	☐
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	☒	☐
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	☒	☐
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	☒	☐
11. Will the proposed action create a hazard to environmental resources or human health?	☒	☐

Short Environmental Assessment Form

Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

- ☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
- ☒ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

CERTIFICATE OF MUNICIPAL SITE CONTROL

We, the undersigned, an Authorized Officer of the Village of North Syracuse and the Municipal Attorney for Village of North Syracuse under the penalties of perjury, hereby certify, warrant, represent and confirm to the DORMITORY AUTHORITY OF THE STATE OF NEW YORK ("DASNY"), the following:

- 1) The Village of North Syracuse is a municipal corporation constituting a county, town, city or village within the meaning of §2 of Article 1 of the General Municipal Law.
- 2) The Village of North Syracuse has applied for a Grant and acknowledges that Grant funds may be used only for certain purposes as set forth in the Grant's enabling legislation.
- 3) The Grant Disbursement Agreement (GDA) to be entered into by and between the Village of North Syracuse and DASNY shall require the Grantee to certify that Village of North Syracuse has the requisite control over the Project Site.
- 4) The Grant project will be located at the following **Project Site**:

Name: Kennedy Park
Street Address: 114 Grove Street
Town / Village: Village of North Syracuse
County: Onondaga

- 5) The fee title of the Project Site is owned by the Grantee (choose one):

- ☐ Pursuant to deed identifying the Grantee as the fee owner, which deed was recorded in the Office of the Clerk of the County of _____.
- ☐ Pursuant to Executive or Legislative action granting title. Provide citation: _____
- ☒ As referenced by a copy of the most recent tax bill provided by the tax assessor's office which indicates ownership of the Project Site is vested in the Grantee, **attached hereto**.
- ☐ The Project Site will be located within a right of way or easement under the jurisdiction of the Grantee.

- 6) The Grant project to be constructed, built, reconstructed and/or operated and located on the Project Site is permitted by, does not and will not conflict with, or result in a breach of any of the terms or provisions of, or constitute a default under any deed restriction, encumbrance, restrictive covenant, agreement, easement and/or other lien. The Grant project shall comply in all respects with any and all applicable governmental laws, rules, regulations and ordinances.

7) Grantee further warrants and represents:

- a. There are no actions pending or threatened which may affect title to the Project Site or which may affect Grantee's ability to complete the Grant project;

DISCUSSION: CODE AS IT RELATES TO CHICKENS

- Mayor Butterfield opened the discussion stating the following:
 - Information was posted on the Community Board. Many people both for and against chickens. Most against roosters.
 - Currently has between 5-10 pieces of information from other neighborhoods, towns and other areas of the state and they are all different.
 - Board is currently working on the process of changing the law. To change the law, there needs to be a Public Hearing and Board would vote. Then it has to be passed and sent to the State to be codified.
 - Currently, chickens are not allowed in the Village.
 - The Board will continue to analyze the information received and hold a public hearing.
- Trustee Wilmer:
 - Suggested that the topic be tabled so that the Board can have further discussion on the information that has been provided.
- Trustee Bolton:
 - Stated that he posted a comment section on his Facebook page and received a lot of comments both for and against chickens in the Village.
 - A link to his Facebook page to review the public's comments was sent to all members of the Board.
 - The most important thing is to hear from the citizens of the Village.
 - The Board would have to do their due diligence on the size of the lots within the Village, the quality of life within the Village and how to enforce something that may or may not come true.
- Trustee St. Germain:
 - Main concern in other towns and villages seems to be the lot size.

NEW BUSINESS:

RESOLUTION #200-25

DISCUSS/APPROVE INCREASE DPW CLERK, S. BUCCI/20 YEARS OF SERVICE TO THE VILLAGE TO \$25/HR

Mayor Butterfield entertained a motion to increase the pay for DPW Clerk S. Bucci to \$25/hour, a raise of \$4.75. Ms. Bucci has worked for the Village for 20 years and holds a part-time position without benefits. She works for the DPW and also does work for the Village offices. Trustee Bolton made a motion to table the discussion, stating that such a significant raise should not be based solely on tenure or in response to another department hiring at a higher pay rate. He suggested that the Board review the roles and benefits of other clerks in the Village offices before making a decision, expressing concern about setting a precedent for off-cycle raises that could impact future discussions regarding salaries. Trustee St. Germain echoed Bolton's concerns about the fairness of the increase and emphasized that raises should generally be based on annual reviews rather than large lump sums for individual employees because a person has the responsibility of more than one job. She stated that she is not for any substantial increase in a lump-sum. DPW Superintendent Ed Ware noted that Ms. Bucci's responsibilities exceed typical duties and that her long service merits consideration. She keeps track of all the DPW employees, all the jobs, the sales tax, fixed assets for the Village Hall; she does a lot more than just her job; to hire somebody at a higher rate than somebody who has been here for 20 years is not good for the employee - they look at it as "Am I appreciated?" Trustee Wilmer questioned why the pay raise wasn't addressed during budget discussions. Superintendent Ware advised that they didn't know someone would be paid at a higher level that was just hired off the street. Trustee Bolton agreed and acknowledged understanding the request now. The Board agreed to table the motion until further information could be provided, with Superintendent Ware promising to submit detailed justification for the proposed increase within

a week. Superintendent Ware believes the monies are in the DPW budget to approve the raise. The motion was tabled with support from Trustees St. Germain, Wilmer, and Bolton.

RESOLUTION #201-25 **DISCUSS/APPROVE EMPLOYEE PROPOSING UNPAID TIME OCT/NOV/DEC 2025 – FIRE DEPARTMENT**

Trustee Wilmer made a motion to approve unpaid overtime during October, November and December, 2025. Allows the employee to not exceed a certain threshold of hours. If employee works more than a certain number of hours and goes over a certain dollar limit, employee has to start paying taxes. Allow employee to take unpaid leave. Motion was seconded by Trustee St. Germain. The motion was approved. Trustee St. Germain, Trustee Wilmer and Trustee Bolton all voting in favor of the same.

INFORMATIVE: PUBLIC OUTREACH MEETING: TUESDAY, OCTOBER 7, 2025 6:00 P.M. – 7:00 P.M.: DISCUSS/PUBLIC INPUT ON THE VILLAGE COMPREHENSIVE PLAN BEING MODIFIED FOR FURTHER GROWTH – N. SYRACUSE COMMUNITY CENTER, 700 SOUTH BAY ROAD:

- CHA is facilitating this meeting.
- Looking and hoping for as much public input as possible; public's input will be helpful in putting plan together.

RESOLUTION #202-25 **DISCUSS/APPROVE THE FULL-TIME HIRING OF C. JOHNSTONE AS LABORER 1 AT THE RATE OF \$16.50/HR.:**

Motion was made by Trustee St. Germain to approve the full-time hiring of C. Johnstone as Laborer 1 in the DPW at \$16.50/hour. Employee will work part-time until December 1, 2025 then will be full-time. This will fulfill the DPW additional labor count. Motion was seconded by Trustee Wilmer. Motion was approved. Trustee St. Germain, Trustee Wilmer and Trustee Bolton all voting in favor of the same.

RESOLUTION #203-25 **DISCUSS/APPROVE PROPOSED FIRE DEPT. BUDGET FOR FIRE PROTECTION FOR THE VILLAGE/FIRE PROTECTION DISTRICTS OF CICERO/CLAY PROVIDED BY THE FIRE DEPT. FOR FY 26/27 – TOWNS 2026**

Mayor Butterfield stated that the Fire Department recently submitted its budget for discussion with the Board. He noted that the Village of North Syracuse Fire Department provides coverage for both the Town of Clay and the Town of Cicero, with both municipalities seeking their budget in order to proceed with their calendar year budgeting. The Village's budget is set for June. Fire Chief Brennan expressed gratitude to the Board Trustees for their visit to the firehouse, where they discussed the budget, fire department expansion, and the bladder truck, which will be addressed in the next Board meeting. The contracts with the Towns of Cicero and Clay have increased from approximately \$260,000 to \$280,000, primarily due to rising insurance costs. Money that was cut last year, asking to be held for the fire department for the future, never made it into the Reserve Account. The Fire Chief will be answering to that in a meeting tomorrow with the Town of Cicero. Trustee Bolton, the Fire Chiefs and the Mayor will be present. Mayor Butterfield clarified that \$25,000 is intended annually to go into the Reserve Account to facilitate future capital purchases. There were a couple of years where money did not go in and the Board was not aware of that. Despite the previous year's request for \$47,000, the Mayor maintained the \$25,000 allocation. Concerns were raised by Fire Chief Brennan about the lack of funds in the Reserve Account, which are crucial for managing upcoming expenditures, including a new vehicle for the Fire Chief. Fire Chief Brennan stated "the Reserve Account is how we balance the budget. The Village put their portion in. Clay and Cicero put additional money in. We talked about this at budget time. Clay and Cicero put in \$18,148 which is what we got cut out of the Reserve Account last year Purpose of the Reserve Account is when we have expenditures coming up. This particular year is part of our replacement plant as we are to buy the Fire Chief a new vehicle this year. Cost will be somewhere in the

vicinity of \$60,000. Outfitted is \$80,000. It will be in the fleet of the Fire Department for up to 10 years. Had to take the money out of the Fire Department Reserve Account which is in here to balance the Budget this year. Next year it is the goal to have and make a reserve deposit. ...". Mayor Butterfield emphasized that the Reserve Account should not be utilized for budget balancing but rather for capital expenses. Fire Chief Brennan stated that is correct - in this particular case, the capital expenditure that is in the budget this year is coming from the Reserve Account. That is what will help balance the Budget. Trustee St. Germain and Trustee Bolton presented funding figures from the Town of Cicero (\$281,630) and the Town of Clay (\$280,071), along with a request for the Village to contribute \$275,600 to ensure operational functionality in the upcoming year. Mayor Butterfield expressed apprehension regarding the approval of the entire Fire Department budget at this meeting as that is not how it was previously done and due to uncertainties in costs. Fire Chief Brennan cited a history of budget cuts imposed on the Fire Department, raising concerns about the Village not paying "their fair share to the Fire Department". Mayor asked Clerk Treasurer Kufel if the village has cut money from the Fire Department budget; Clerk Treasurer Kufel affirmed and noted that budget cuts have affected all departments. Fire Chief Brennan emphasized that two-thirds of the Fire Department's budget is covered by two neighboring municipalities and requested the Village pay its fair share, any shortfalls can be made up with the towns in the following budget year. Trustee St. Germain questioned why the motion should not be passed now if all parties agreed to pay one-third; Mayor Butterfield expressed concerns about locking in the budget prematurely, while Trustee Wilmer opined "it is the right thing to do" and Trustee Bolton argued that voting now would ensure equal contributions from all parties and that there would be "no concern going forward that any of that money is going to be cut". Mayor reiterated that the village budget discussions begin in March and approving now locks the village into the Fire Department budget. The motion to approve the Fire Department's budget was made and seconded, resulting in approval by Trustees St. Germain, Wilmer, and Bolton. Mayor Butterfield abstained.

CITIZENS VOICE:

Carol Murphy – 140 Slindes Woods Circle: Carol Murphy expressed her strong opposition to keeping chickens in the Village. She noted that the Village comprises six districts and highlighted that zoning regulations require ample agricultural land for keeping chickens. In the Town of Clay, five acres are needed, while Cicero requires two acres. Murphy mentioned that several nearby towns, including Salina, Liverpool, Fayetteville, Minoa, and Skaneateles, do not allow chickens due to insufficient acreage. She pointed out that the property in question is less than half an acre, making it unsuitable for chickens.

Mayor Butterfield confirmed that no chickens are currently allowed in the Village, adding that there have been citations for keeping chickens. Murphy argued that the presence of chickens is unfair to neighbors, as they can be noisy, dirty, and pose health risks. She criticized the inconsistency in regulations for those living on the same streets but in different towns that have varying rules on chicken ownership. Murphy emphasized that the predominance of residential zoning in the area makes it inappropriate to allow chickens, as most residents do not want them.

Kathy Miller – 118 Slindes Wood Circle: The presence of chickens in the Village is concerning due to health risks, especially with diseases like chicken flu. Living close to others increases this risk, particularly for people with health issues. Therefore, chickens should be kept in the country.

Ken Ryan – 211 Herman Dr.: The Mayor needs to consider the property, which is residential and not suitable for agriculture. It could lead to lower taxes as agricultural land. Plans to allow chickens would mean a lot of rating changes. Chickens do not belong in the Village.

Pat Malone – 426 Church St.: The Livestock Code, established in the 1960s, prohibits livestock in suburban areas to prevent issues caused by close living quarters. Chickens, often misrepresented as pets, actually need space to thrive. Keeping chickens in small enclosures makes them vulnerable to predators. Allowing chickens in the Village would lead to increased sightings of various animals such as raccoons, coyotes, foxes, weasels, cats, skunks, mice and rats. Food scraps left by chickens would attract rodents. With ongoing development and less natural space, suburban environments could become unsafe for chicken owners due to higher predator and rodent activity. Chickens are meant for farms, not suburbs.

Patrick Greenfield – 205 Sunnybrook Dr.: Two years ago, a neighbor decided to get chickens and let them roam freely, causing them to wander into nearby yards where they were not wanted. Codes was contacted, and over the winter the chickens disappeared. A friend who owns chickens in a rural area shared his experience. He initially got them for tick control, but it was ineffective - his dog got Lyme disease, and he didn't use their waste for fertilizer due to wet conditions. His coop must be enclosed for safety, as predators like owls and raccoons have attacked his flock. Chickens also attract other wildlife such as foxes, hawks, and eagles. The feed attracts squirrels, chipmunks, rats and mice. Chickens can be noisy, especially when laying eggs; prompting him to move the coop farther from his house. When buying chickens, there's no guarantee of gender, and he's experienced losses, with two of six chicks dying recently and a predator killing half his flock in a day. He finds chickens destructive and cleans the coop monthly while using a full respirator due to the smell.

Liz Forth – 313 Herman Drive: The speaker acknowledges valid points about concerns regarding chickens in communities, and shared her own journey of changing opinions based on personal experiences. Initially she also had fears about chickens causing illness, but after renting a property on Long Island with chickens, she learned more about them and found that chickens do not need to be restricted to rural areas. Each chicken requires about 10 square feet of space, and certain smaller breeds (Bantams) allow for more chickens in limited spaces.

The speaker discusses both the positive and negative aspects of keeping chickens. She highlighted the nutritional benefits of home-raised eggs, which universities like Penn State have researched. Raising chickens can enhance family self-sufficiency, support food budgets, and provide a buffer against disruptions in food supplies. Although there are concerns about pests, the speaker suggests that proper hygiene and maintenance can mitigate health risks. Roosters probably are not a good idea for the village, and based on an individual's budget- results of keeping chickens may vary. Many successful urban models exist for chicken keeping, noting that cities like Syracuse and New York City allow it despite not being rural. They recommend a system of permits and thoughtful spacing to manage concerns and emphasize the many benefits of keeping chickens, including education, therapy, and hobbies, while acknowledging that individual circumstances may vary. Collaboration will give residents and opportunity for self-sufficiency.

Lisa Lioto – 356 Chestnut St.: I would vote no to the chickens due to the safety, health and environmental concerns.

- James Trasher from CHA in attendance and made presentation.
- Started process about 4 years ago.
- Wants to consolidate Station 2.

Presentation from James Trasher – CHA:

- Money and property already acquired.
- Plans to advance project were done by committee.
- CHA got involved about 1 year ago.
- Designed roughly an 8,000 ft. addition that would connect an existing fire station.
- Worked up preliminary budget of \$5-6 million.
- Reached out to Huber Breuer in a pre-construction management role.
- Proposed initial design fees \$441,000 for professional services.
- Village Clerk Treasurer has worked up some either cost per unit or cost per thousand.
 - o 9.6 for Cicero
 - o 9.6 for Clay
 - o Village tax up approximately \$140
- Could present to Village residents cost to \$5-6 million.
- Put out in a Bond Resolution – Board would vote.

- May open opportunity for other grant monies.
- Looking to bring the best value to the village.
- Discussion on design process.
- If done in October, could start in April, 2026.
- Largest project for the Village.
- Size of the building could vary.
- No wiggle room on some of the Fire Department's requirements. Will be addressed with the rightsizing of the project.
- Has spent \$200,000 of \$300,000 to date on remediation.
- Next meeting, has public hearing to go for a zone change.
- 115 is still considered residential.
- Chief's report came out July of 2024.
- Mayor Butterfield stated that CHA is right on with their estimate
 - o Is nervous about coming up with additional needed money.
 - o Is in favor of the proposal.
 - o Hoping to get other grants for the Fire Department.
 - o Have to prove to the bonding company that Village can pay for it.
 - o Trying to get grant for Kennedy Park.
 - o A CM will have to be hired down the road, which is expensive.

Trustee Bolton made a motion to approve the proposal from CHA and Huber Breuer in the amount of \$424,733 to do the design, architectural work that was submitted to the Board on 9/8/25, not to exceed \$424,733. Made a motion to move forward. Motion was seconded by Trustee Wilmer. Motion was approved. Trustee St. Germain, Trustee Wilmer and Trustee Bolton all voting in favor of the same.

Contract between Central New York Society for the Prevention of Cruelty to Animals and the Village of North Syracuse NY

THIS AGREEMENT, by and between Village North Syracuse, a municipality of the State of New York, with its principal offices located at 600 South Bay Road, North Syracuse New York 13212 (hereinafter referred to as the "Municipality") and **Central New York Society for the Prevention of Cruelty to Animals** ("Contractor" or "CNYSPCA") with the office located at 5878 East Molloy Road, Syracuse, New York 13211.

WHEREAS, the Municipality are in need of a contractor who will provide "**Dog Control**" services for the Village of North Syracuse.

WHEREAS, it is the intention of the Municipality to retain the CNYSPCA to provide Dog Control Services. (Hereinafter the "Project")

NOW THEREFORE, the parties hereto, in consideration of the covenants herein contained do hereby agree as follows:

1. TERM:

The term of this agreement shall be effective January 1, 2026 through and including December 31, 2026.

2. SCOPE OF SERVICES:

The CNYSPCA shall:

- a. Promptly respond to, enforce provisions of Article 7 of the Agriculture and Markets Law of the State of New York and ordinances of the Village of North Syracuse pertaining to dogs, which are reported to the CNYSPCA and which are occurring within the boundaries of the Village of North Syracuse. Such services will include, as necessary, seizure, removal and shelter of any dog found to be the subject of a violation of the above referenced law; and
- b. Work in conjunction with local police and the Municipality and participated in prosecution of violations of Village Code and/or Agriculture and Markets Law as is deemed necessary by the Village.

3. FEE & PAYMENT:

- a. The compensation for the rendering of the CNYSPCA's services shall be Five Thousand five hundred fifty-six and sixty cents (\$5,556.60) for the term of this Agreement which shall be effective from January 1, 2026, through and including December 31, 2026.
- b. Payment under this Agreement shall be made by January 31, 2026.

4. INDEMNIFICATION:

- a. The CNYSPCA agrees that it shall defend, indemnify and hold harmless the municipality and against all liability, damages, expenses, costs, causes of actions, suits, claims or judgments arising, occurring or resulting from property damage, personal injuries or death to persons arising, occurring or resulting from or out of the work of the CNYSPCA and its agents, servants or employees, and from any loss or damage arising, occurring or resulting from the acts or failure to act or any default or negligence by the CNYSPCA or failure on the part of the CNYSPCA to comply with any of the covenants, terms or conditions of this agreement.
- b. The CNYSPCA agrees to make no claim for damages for delay occasioned by an act or omission of the municipality.

5. EXCLUSIVITY:

- a. The CNYSPCA retains the right to provide services directly or indirectly through contracts with another agency as long as those services do not cause a conflict of interest or breach of confidentiality to occur or a result in a disruption or limitation of the services to be provided to the Village under this agreement.

6. CNYSPCA STATUS:

- a. It is intended by both the CNYSPCA and the municipality that the CNYSPCA's status be that of an independent Contractor, and that nothing in this Agreement be construed to create an employer/employee relationship between the CNYSPCA and the municipality. The CNYSPCA shall not be eligible for compensation due to a) illness; b) absence due to normal vacation; c) absence due to attendance at school or special training or a professional convention or meeting.
- b. The CNYSPCA agrees that at no time shall the CNYSPCA indicate or represent that they are an employee of the municipality.
- c. The Municipality agrees not to withhold from the payments provided for services rendered for any State or Federal income tax, unemployment insurance, worker's compensation, disability insurance or social security insurance (FICA). The CNYSPCA will indemnify, defend and hold the municipality from all loss or liability incurred by the not making such payments or withholdings.
- d. The CNYSPCA understands, and represents to the Municipality, that such insurance and tax payments are the sole responsibility of the CNYSPCA.

- e. If the Internal Revenue Service or any other governmental agency questions or challenges the CNYSPCA's independent Contractor status it is agreed that both the Municipality and the CNYSPCA shall have the right to participate in any conference, discussion, or negotiations with the governmental agency, irrespective of with whom or by whom such discussions or negotiations are initiated.
- f. The Contractor represents and agrees to comply with the requirements of the Civil Rights Acts of 1964 as amended, the Age Discrimination Employment Act of 1973 as amended, Executive Order No. 11246, entitled "Equal Employment Opportunity" as amended, by Executive Order No. 11375 and as supplemented in Department of Labor Relations, 41 CFR Part 60.
- g. The Contractor agrees to comply with Federal and State Laws as supplemented in the Department of Labor regulation and any other regulations of the Federal and State entities relating to such employment and Civil Rights requirements.

7. INSURANCE:

- a. The CNYSPCA shall maintain general liability insurance and will provide the municipality with proof of coverage in the amount of \$1,000,000 per incident and \$3,000,000 aggregate throughout the term of this Agreement. The CNYSPCA agrees to have the municipality named as an "additional insured" on the general liability policy and to provide the municipality with certificates from said insurance company or companies showing the proof of insurance as stated heretofore.
- b. This Agreement shall be void and of no effect unless each party and other person or entity making or performing this Agreement shall secure compensation for the benefit of, and keep insured during the life of this Agreement, the employees engaged thereon, in compliance with the provisions of the New York State Workers' Compensation law. Each party further agrees to comply with the requirements of the New York State Workers' Compensation Board regarding proof of compliance with the New York State Workers' Compensation Law

8. TERMINATION:

- a. This Agreement may be terminated at any time by either party giving to the other at least thirty (30) calendar days prior written notice of termination. However, in the event the CNYSPCA defaults in the performance of any of the CNYSPCA's obligation under this Agreement, the Agency may terminate the Agreement effective upon written notice served at any time upon the CNYSPCA.

- b. Upon notice of termination, the CNYSPCA shall immediately submit to the Agency all required documentation for services rendered up to the date of termination before a final reimbursement for services rendered can occur.
- c. Upon notice of termination, the CNYSPCA shall immediately deliver to the municipality all records, reports, case files and any other documents which may be in the possession as a result of their services under this Agreement.

9. LICENSES AND PERMITS:

Each party shall obtain at its own expense all licenses or permits required for its services or work under this Agreement, prior to the commencement of services or work

10. ENTIRE AGREEMENT:

The terms of this Agreement, including any attachments, amendments, addendums or appendixes attached hereto, constitute the entire understanding and agreement of the parties and cancels and supersedes all prior negotiations, representations, understandings or agreements, whether written or oral, with respect to the subject matter of this Agreement. No waiver, alterations modifications of and provisions of this Agreement shall be binding unless in writing and signed by the duly authorized representative of the parties sought to be bound.

IN WITNESS WHEREOF, this agreement has been duly executed and signed by:
