Re: 413 Church St

To: Planning Commission Members,

I have reviewed the plans submitted for the above listed project and my findings are as follows:

☒ Looks good; no concerns for DPW.

☐ Drainage ☐ Water ☐ Sewer ☐ Sidewalks ☐ Snow Removal

☐ Right-of-way ☐ Streets/Roads ☐ Safety ☐ Trash Removal

Concerns:

Items I would like the Planning Commission to address:

☐ Drainage ☐ Water ☐ Sewer ☐ Sidewalks ☐ Snow Removal

☐ Right-of-way ☐ Streets/Roads ☐ Safety ☐ Trash Removal

Recommendations:

Based on factors that would affect DPW or its Operations, I recommend the following:

☒ Project does not have any negative impact on DPW or its operations

☐ They make items noted a part of the conditions for approval

☐ Project impacts items checked and plan needs to be modified

Sincerely,

Ed Ware
Superintendent of Public Works
