DISCUSS ALLOWING ETHICS BOARD TO MAKE COMPLAINT INQUIRY/RECOMMENDATION

Mayor Bolton asked for a motion regarding allowing the Board of Ethics (BOE) to make inquiries and recommendations to the Board of Trustees in regard to personnel matters. He asked BOE member Dave Robinson to speak about whether the Board of Ethics should make complaint inquiries or a recommendation with respect to a recent complaint. The BOE is governed by Chapter 19 of the North Syracuse Code and also by Chapter 18 of the NYS Municipal Law. They primarily deal with financial and fraud matters; however, if asked to by the Board of Trustees, the BOE would broaden their range to review a personnel issue.

Mayor Bolton stated that his understanding is that when there is an issue, the person involved should go to their supervisor. If their supervisor cannot resolve the issue, it should be taken to the Mayor who would then present it to the Board and the Board would make a recommendation on how to handle. Dave Robinson stated that he disagreed for the purpose of these two complaints; the first sentences of Chapter 19 imply the scope being ethical conduct for public officers and employees. If the BOE cannot weigh in on matters potentially involving the Board of Trustees, who will? Trustee Wilmer stated that without further information, he thinks personnel matters should eventually go to the Mayor. Dave Robinson added that one complaint is regarding someone who could be inferred as an employee and the other is a trustee who does not answer to the Mayor. Trustee Ryan stated that as a former BOE member, he believes the BOE should review the matters and refer them to the Board of Trustees. Dave Robinson agreed.

Mayor Bolton asked if he had a motion, to which no Board of Trustees members responded. Motion failed.

- Happy to have new firefighter and four bunk-ins, with a potential live-in.
- Congratulations to Deputy Mayor Wilmer.

Village of North Syracuse
Regular Board Meeting
July 23, 2026 @ 5:30 PM

- Attended meeting at Fire Station with CHA and Hueber Breuer Construction to continue the discussion of the proposed Fire Station addition. Should have prints back any day and can move on to next steps.
- Please look at Village website (www.northsyracuse.ny.gov). Amy at Village Hall has been making changes to keep the website updated, fluent, active. Can go there to get answers to questions.
- Regarding financial situation and audits:
 - Have gotten all three proposals from the companies they want to do the audit. Have found that there is no purpose in doing the audit until 25/26 financials are completed (apx five months behind now).
 - Looking at the three companies to get those financials current, get the Annual Financial Report to the Comptroller's Office current. Have been granted an extension on AFR to end of August.
 - The audit has nothing to do with this year's fiscal budget. Will not be an overnight process; could take 4-10 days. Will have financials current in no more than a couple of months.

Trustee Ryan made the motion to adjourn at 6:27pm. The motion was seconded by Deputy Mayor Wilmer. The motion was approved: Deputy Mayor Wilmer, Trustee Lioto, and Trustee Ryan all voting in favor of the same.

Respectfully Submitted,
